North Shore Arts is going "Green"! 2018 Prospectus will be available in PDF printable format on our website www.nsarts.org mid-March. This digital version helps the NSAA bottom line by greatly reducing printing and mailing costs.

Please contact the gallery if this is not an option for you and we will gladly mail you a copy.

Dear Associate Member,

We value you as an important part of our Association and appreciate your participation. North Shore Arts Association, being a 501(c)3 non-profit charitable and cultural organization, survives primarily on the support of its members and donors. It helps us provide for those who appreciate the importance of the fine arts, an opportunity to enjoy our premier gallery, and to offer cultural and educational services to Cape Ann and the surrounding communities.

Member dues and donations are a very important part of this support. We do hope you will consider making a donation in addition to your dues payment. Many important improvements have recently been made to our building thanks to the generous support of our members. In 2018, we plan to complete exterior renovations, install new gallery lighting and install a new energy efficient heating system. We hope you will help make these plans a reality by donating today (please see form in the shaded area above).

Please help promote NSAA via social media! Visit our website www.nsarts.org and click the homepage links to subscribe to our eBlast, like us on Facebook and follow us on Twitter. *We look forward to seeing you in the gallery often!*

Kind regards,
NSAA Board of Trustees and Staff
