

and so it goes.

a special end of season exhibition

**North Shore Arts Association
11 Pirates Lane Gloucester Massachusetts
October 19th through November 2nd**

NSAA is offering an end of season bonus opportunity for all members, Artist Members and Associate Members. This is an opportunity to display as many paintings as you can reasonably fit within a designated 5'w x 6h' (approx. - leave room between you and your neighbor!) wall space in the upstairs gallery. Think of it as a mini solo show! Registration fee is \$50. Space is limited to 40 participants (one space per) and will be accepted on a first come first serve basis. Location of individual artist space will be determined by lottery drawing at the close of registration acceptance. Any artist who would like additional space can ask to be put on a waiting list for additional space in the event that less than 40 artists register to participate. Each artist is responsible for hanging their own work and should bring their own tools (hammer, nails, step ladder, etc.).
